

Summer 2019

The Office of Fraternity and Sorority Life (FSL) is pleased to provide new students and their families with information about involvement opportunities in Virginia Tech's Fraternity and Sorority community. FSL is a team of professional and graduate staff members who stand ready to assist students in making the most of their collegiate experience, and we believe collegiate membership in a fraternity or sorority can be a positive part of any student's development. Fraternities and sororities can provide their members academic support, lifetime friendships, career networking, intramural athletic competition, philanthropic and service opportunities, social activities, and leadership development.

Fraternity and Sorority Life at Virginia Tech is an active and vibrant community of over 5,000 students in 48 chapters represented by four governing councils. Each of these chapters are recognized and registered by the university and supported by larger inter/national organizations. "Registered" student organizations (RSOs) benefit from multiple levels of support and have access to professional advisement, campus and organizational resources and university facilities. These organizations receive leadership programming, educational resources, and risk management training from Virginia Tech. A list of recognized and registered fraternities and sororities is provided on the back of this document and additional information is available at <http://www.fsl.vt.edu/>. We encourage all students and their families to visit this site to learn more about our dynamic community.

We also provide you information about fraternities that have lost recognition from Virginia Tech and/or their inter/national organizations due to disciplinary action. While some of these organizations may still operate, they have no affiliation with Virginia Tech.

Unrecognized organizations are: 1) not advised by the university; 2) unable to utilize campus resources; and 3) prohibited from participating in Fraternity and Sorority Life events. Groups operating in this capacity do not have the same oversight of University policies and regulations, which could result in undesirable consequences for both individual members and that group.

Given that these groups were suspended due to violations of the Student Code of Conduct, such as the hazing and alcohol beverage policies, we encourage you to have conversations with your students about the risks of joining these organizations or participating in their events. The following organizations are currently unrecognized by the university:

Alpha Epsilon Pi*
Alpha Phi Alpha Fraternity, Inc.
Delta Kappa Epsilon*
Delta Tau Delta
Kappa Alpha Psi Fraternity, Inc.
Kappa Delta Rho
Kappa Sigma*

Lambda Chi Alpha
Omega Psi Phi Fraternity, Inc.
Sigma Alpha Epsilon*
Sigma Chi
Theta Delta Chi*
Theta Xi

Additionally, there are several local organizations that have no affiliation with the university and are not connected to the Office of Fraternity and Sorority Life, such as Omicron Alpha Kappa (OAK) and Center Club.

**Indicates the chapter is still chartered by their inter/national organization but they are not recognized by Virginia Tech.*

If you have any questions about any of this information, please feel free to contact us at 540-231-6609 or gogreek@vt.edu.
