FRATERNITY AND SORORITY LIFE

FALL 2026 SCORECARD

The Office of Fraternity and Sorority Life is a team of professional and graduate staff members who provide advising, resources, support, and leadership development opportunities for students in our community. Our vision is to be a fraternity and sorority community inspiring lifetime engagement in the spirit of *Ut Prosim* (That I May Serve). Our mission is to coach and educate our community, organizations, and members through cultivating leadership, encouraging personal growth, fostering health & safety, and expanding spaces of belonging for students to ExperienceVT while embracing *Ut Prosim* as a way of life.

Four governing councils make up the Virginia Tech fraternity and sorority community and coordinate with the chapters they represent. Each governing council is unique in its operation and serves its chapters according to its own philosophy, purpose, and values.

Interfraternity Council (IFC) is the governing council for 30 of our men's fraternities, most of which are associated with the North-American Interfraternity Conference (NIC). Students may join by participating in formal recruitment (September and February) or informally throughout the year. **@vt.ifc**

National Pan-Hellenic Council (NPHC) is a collaborative umbrella council composed of the nine historically African American fraternities and sororities often referred to as the Divine Nine. Students may join these chapters after their first semester and they may get more information by contacting the chapter directly and the NPHC Advisor. **@vtnphc**

Panhellenic Council (PHC) is the governing council for the 14 National Panhellenic Conference (NPC) women's fraternities and sororities. First-year students may join by registering online in the fall semester to participate in formal recruitment in January of their first year or informal recruitment after that time. **@vtpanhellenic**

United Council of Fraternities and Sororities (UCFS) brings together Virginia Tech's culturally-based and academic interest fraternities and sororities. Depending on the organization, students may join throughout the year and they may get more information by contacting the chapter directly and the UCFS Advisor. **@vtucfs**

STANDARDS OF EXCELLENCE

In the spirit of our mission, Fraternity and Sorority Life offers the Standards of Excellence program to showcase chapters intentionally aiming for excellence. Participating chapters aspire to excel in four certification categories to highlight their collective contributions and accomplishments. Certification Categories include Community Impact & Citizenship, Chapter Support and Leadership Development, Maintaining Healthy Environments and Member Experiences, and Academic Excellence. At the end of each year, "Certified Chapters" will receive a culminating "Platinum," "Gold," or "Bronze" rating, as well as ratings in each of the categories.

SUSPENDED AND/OR UNRECOGNIZED ORGANIZATIONS

We also wish to provide you information about organizations that have lost recognition from Virginia Tech and/or their international organizations due to disciplinary action. While some of these organizations may still operate, they have no affiliation with Virginia Tech. Please see our Statement on Unrecognized Chapters for more details regarding the suspensions of these organizations. Given that these groups were suspended due to violations of the Student Code of Conduct, such as the hazing and alcohol beverage policies, we encourage you to have conversations with your students about the risks of joining these organizations or participating in their events.

The following organizations are currently unrecognized by the university: Delta Kappa Epsilon and Kappa Sigma. Additionally, there are several local organizations that have no affiliation with the university and are not connected to the Office of Fraternity and Sorority Life, such as Omega Alpha Kappa (OAK), Center Club, and Gold Club.

FRATERNITY & SORORITY HOUSING

At Virginia Tech, fraternity and sorority housing provides members with opportunities to build community, strengthen sisterhood and brotherhood, and engage in their unique chapter experience. Recognized housing includes Oak Lane, located behind the Virginia Tech Golf Course and home to 19 individual chapter houses and the NPHC House, as well as officially recognized off-campus fraternity homes that are privately owned but affiliated through chapter recognition. These residential spaces provide convenient access to chapter activities, foster supportive and values-based communities, and encourage unity across the fraternity and sorority community. Members of chapters with designated housing may be expected to live in the chapter facility during some point of their membership.
