

STANDARDS OF EXCELLENCE

In the spirit of our mission, Fraternity and Sorority Life offers the Standards of Excellence program to showcase chapters intentionally aiming for excellence. Participating chapters aspire to excel in six certification categories to highlight their collective contributions and accomplishments. Certification Categories include Community Engagement, Chapter Support and Leadership Development, Maintaining Healthy Environments and Member Experiences, Administrative Excellence, Academic Excellence, and Community Relations ("Good Neighborhood Grade"). At the end of each academic year, "Certified Chapters" will receive a culminating "Platinum," "Gold," or "Bronze" rating, as well as ratings in each of the six categories.

OAK LANE COMMUNITY

At Virginia Tech, many of our fraternities and sororities call Oak Lane home. Located behind the golf course, Oak Lane is composed of 19 individual chapter houses and the NPHC House. Oak Lane seeks to provide opportunities for students to create community, engage in sisterhood/ brotherhood, and live out their unique chapter experiences. Additionally, Oak Lane strives to build unity within the interfraternal community. Members of chapters who have a house in Oak Lane may be expected to live there during some point of their membership.

OFF CAMPUS HOUSING

Officially recognized off-campus fraternity homes are privately owned and serve as housing for members of a recognized fraternity. Although not owned by the university, these homes are formally affiliated with the institution through their chapter's recognition and are expected to adhere to university, council, and municipal policies. Living in an officially recognized home fosters a strong sense of brotherhood, provides convenient access to chapter activities, and offers a supportive, values-based living environment.

SUSPENDED AND/OR UNRECOGNIZED ORGANIZATIONS

We also wish to provide you information about organizations that have lost recognition from Virginia Tech and/or their international organizations due to disciplinary action. While some of these organizations may still operate, they have no affiliation with Virginia Tech. Please see our [Statement on Unrecognized Chapters](#) for more details regarding the suspensions of these organizations. Given that these groups were suspended due to violations of the Student Code of Conduct, such as the hazing and alcohol beverage policies, we encourage you to have conversations with your students about the risks of joining these organizations or participating in their events. The following organizations are currently unrecognized by the university:

Delta Kappa Epsilon **Kappa Sigma** **Pi Kappa Phi** **Pi Lambda Phi**

Additionally, there are several local organizations that have no affiliation with the university and are not connected to the Office of Fraternity and Sorority Life, such as **Omega Alpha Kappa (OAK)**, **Center Club**, and **Gold Club**.

FRATERNITY AND SORORITY LIFE

2025-26 Scorecard

THE OFFICE OF FRATERNITY AND SORORITY LIFE is a team of professional and graduate staff members who provide advising, resources, support, and leadership development opportunities for students in our community. Our vision is to be a fraternity and sorority community inspiring lifetime engagement in the spirit of *Ut Prosim* (That I May Serve). Our mission is to coach and educate our community, organizations, and members through cultivating leadership, encouraging personal growth, fostering health & safety, and expanding spaces of belonging for students to ExperienceVT while embracing Ut Prosim as a way of life.

Four governing councils make up the Virginia Tech fraternity and sorority community and provide coordination to the chapters they represent. Each governing council is unique in its operation and serves its chapters according to its own philosophy, purpose, and values.

Interfraternity Council (IFC) is the governing council for 32 of our men's fraternities, most of which are associated with the North-American Interfraternity Conference (NIC). Students may join by participating in formal recruitment (September and February) or informally throughout the year.
