

Virginia Tech's Fraternity and Sorority Life

New Member Presentation Policy & Acknowledgement Form

Step Four (4)

Guidelines for New Member Presentations

New member presentations are envisioned as an important portion of cultural fraternity and sorority membership. Historically, these experiences have served as a celebration of an individual becoming a member of the interfraternal community. While each organization's new member presentation may have a unique format, these means of welcoming new members into the Virginia Tech community not only emphasize shared values of brotherhood and sisterhood but also serve as a "rite of passage" into the fraternal experience for many new members. All organizations are expected to adhere to their inter/national organization's values and the values of Virginia Tech during the course of their activities, demonstrating curiosity, self-understanding and integrity, civility, courageous leadership, and *Ut Prosim* (That I May Serve). To that end, organizations should be mindful of both perception and impact of their actions.

In order for Fraternity and Sorority Life (FSL) to help promote unity amongst all new member experiences and to ensure the safety of members of the FSL community, all National Pan-Hellenic Council (NPHC) organizations must adhere to the following guidelines when presenting new members to the campus community:
